Imagine stepping into a house that transports you to a world of endless possibilities. In the heart of Agordo's historic center, this completely independent townhouse awaits to be rediscovered and restored to its former glory.

Every corner of this house tells a story, and with a touch of creativity and imagination, you can begin writing your own chapter, adapting the spaces to meet your needs and desires.

As you enter, you are greeted by spaces that, while in need of some renovation, exude authentic charm. The living area, consisting of a spacious kitchen and a small kitchenette, is the perfect place to enjoy moments of warmth and intimacy.

The four bedrooms offer ample space to create your personal retreat and to welcome friends and family in a cozy, inviting atmosphere.

The main bathroom is equipped with a bathtub, while the service bathroom adds a practical touch.

Then there's the attic, ready to become a versatile space where you can indulge in your hobbies, keep as storage, or simply transform into a peaceful retreat.
